INTRODUCTION

Teams come together to conduct "friendlies," assisting each other to improve their respective squads. Similarly, the "Friendlies Flyer" represents a collaboration of Kansas City youth sports organizations committed to encourage sports and physical activities participation. Various different sports of recipients' interest -- as well as rotating youth organizations -- will be highlighted and featured. Click on logos below to visit the participating organizations.

Go-Okie Dokie! SM Books, Toys & Gifts Go-OkieDokie.org

Go-OkieDokie.org

The *Go-Okie Dokie!* online gift shop offers youth activities related merchandise for Tykes, Kids, Teens and Adults. A portion of sales proceeds will be donated to local Kansas City youth sports non-profit organizations. The organizations strive to contribute to the good health, safety and well-being of young athletes and their families. The Kansas City based non-profit organizations serve multiple needs including but not limited to mental health and suicide prevention. They also assist underserved communities and financially distressed families to be able to participate in youth sports. This fundraising initiative is a first pilot program attempting to join the entire Kansas City youth sports community efforts to address affordability, safety and access... thereby encouraging youth sports participation. ***BUILDING BRIDGES TOGETHER!***

Quick Pulse Metrics SM

...wondrous things grow from small hearts!

Quick Pulse Metrics ("QPM"): Coming 2027, QPM is an exciting, new, innovative monitoring/feedback system that for the first time will allow coaches and heads of youth organizations to periodically sample athletes', parents' and coaches' attitudes, safety & well-being and their youth sports participation experiences. The QPM system utilizes cell phone mid and postseason conducted surveys allowing managers and heads of organizations to assess athletes and families youth sports participation... anonymously, seamlessly and quickly. Watch for future announcements regarding this important game changing program.
